L-Jetronic Gasoline Injection System

L-Jetronic system overview

- 1 Intake air
- 2 Air-flow sensor
- 3 Idle-mixture adjusting screw
- 4 Throttle-valve switch
- 5 Throttle plate
- 6 Idle-speed adjusting screw
- 7 Auxiliary-air device
- 8 Start valve
- 9 Pressure regulator
- 10 Distributor tube
- 11 Injection valve
- 12 Control unit
- 13 Fuel filter
- 14 Thermo-time switch
- 15 Engine-temperature sensor
- 16 Electric fuel pump
- 17 Fuel tank
- 18 Ignition and starting switch
- 19 Battery

BOSCH Invented for life
